Malvern Parish CE Primary School

'Learning Together for an Exciting Future'

At Malvern Parish our vision is for all children and adults to become aware of their God given gifts so they can flourish as individuals, achieve academically and build firm foundations for the future.

This vision is deeply rooted in strong Christian tradition and based upon:

"I have come that they may have life and have it to the full". John 10.10

"For I know the plans I have for you," declares the LORD, "plans to prosper you and not to harm you, plans to give you hope and a future." Jeremiah 29.11

We seek to develop our vision through our Christian values of Friendship, Respect, Trust, Peace, Truthfulness and Forgiveness and live out these values in every part of school life.

This is the Malvern Parish CofE Primary School Publication Scheme based on information available under the Freedom of Information Act 2000

The governing body is responsible for maintenance of this scheme.

1. Introduction: what a publication scheme is and why it has been developed

One of the aims of the Freedom of Information Act 2000 (which is referred to as FOIA in the rest of this document) is that public authorities, including all maintained schools and academies, should be clear and proactive about the information they will make public.

To do this we must produce a publication scheme, setting out:

- *The classes of information which we publish or intend to publish;*
- *The manner in which the information will be published; and*
- *Whether the information is available free of charge or on payment.*

The scheme covers information already published and information which is to be published in the future. All information in our publication scheme is available in paper form but may be subject to a charge.

We are committed to updating and maintaining the publication scheme to keep it current and relevant. The Publication Scheme contains many of the documents, policies and plans and guidance which are regularly asked for.

Some information, which we hold, may not be made public, for example personal information. There are clear exemptions to the requirement to produce information on demand, so as to protect confidential/sensitive/personal data, for example about children or members of staff.

Overall responsibility for ensuring that the School meets the statutory requirements of the FOIA lies with the Governors with the Chair of Governors having overall responsibility for information management issues. The Governors have delegated the day-to-day responsibility of implementation to the Headteacher.

This policy does not cover personal written communications (such as personal e-mails sent by staff). The School's Data Protection Policy establishes the standards regarding the use of "personal data".

This publication scheme conforms to the model scheme for schools approved by the Information Commissioner.

2. Categories of information published

The publication scheme guides you to information which we currently publish (or have recently published) or which we will publish in the future. This is split into categories of information known as ‘classes’. These are contained in section 5 of this scheme.

The classes of information that we undertake to make available are organised into four broad topic areas:

School Website	Information published on the school website
Information relating to the school and Local Academy Board	Information published in governing body documents
Pupils & Curriculum	Information about policies that relate to pupils and the school curriculum
School Policies and other information related to the school	Information about policies that relate to the school in general

3. How to request information

If you require a paper version of any of the documents within the scheme, please contact the school by telephone, email or letter. Contact details are set out below;

Email: office@malvernparish.worcs.sch.uk

Tel: **01684 574084**

Contact Address: Manby Road, Malvern, Worcestershire, WR14 3BB

To help us process your request quickly, please clearly mark any correspondence **“PUBLICATION SCHEME REQUEST”** (in CAPITALS please).

Freedom of Information requests should be dealt with within 20 working days, excluding school holidays. Repeated or vexatious requests for information will be refused. We will claim exemptions as appropriate whilst maintaining a commitment to openness, scrutiny and public interest. We reserve the right to refuse requests where the cost of provision exceeds the statutory maximum (currently £450).

If the information you’re looking for isn’t available via the scheme you can still contact the school to ask if we have it.

Further advice and information about the Freedom of Information Act, including full details of exemptions and advice on the public interest test, is available from the Information Commissioner’s website at www.informationcommisioner.gov.uk.

4. Paying for information

Information published on our website is free, although you may incur costs from your Internet service provider. If you don't have Internet access, you can access our website using a local library or an Internet café.

Single copies of information covered by this publication are provided free unless stated otherwise in section 6. If your request means that we have to do a lot of photocopying or printing, or pay a large postage charge, or is for a priced item such as some printed publications or videos we will let you know the cost before fulfilling your request.
