‘Learning Together for an Exciting Future’

At Malvern Parish our vision is for all children and adults to become aware of their God given gifts so they can flourish as individuals, achieve academically and build firm foundations for the future.

This vision is deeply rooted in strong Christian tradition and based upon:

“I have come that they may have life and have it to the full”. John 10.10

“For I know the plans I have for you,” declares the LORD, “plans to prosper you and not to harm you, plans to give you hope and a future.” Jeremiah 29.11

We seek to develop our vision through our Christian values of Friendship, Respect, Trust, Peace, Truthfulness and Forgiveness and live out these values in every part of school life.

1. Legislation

The Equality Act 2010 ("the Act") provides a modern, single legal framework with three broad duties:

- Eliminate discrimination;
- Advance equality of opportunity; and
- Foster good relations.

Malvern Parish CE Primary School fully understands the principle of the Act and the work needed to ensure that those with protected characteristics are not discriminated against and are given equality of opportunity.

A protected characteristic under the act covers the groups listed below:

- Age;
- Disability;
- Race, colour, nationality, ethnic or national origin;
- Sex (including transgender);
- Gender reassignment;
- Maternity and pregnancy;
- Religion and belief;
- Sexual orientation; and
- Marriage and civil partnership (for employees).

In order to meet our general duties, listed above, the law requires us to do some specific duties to demonstrate how we meet the general duties.

These are to:

- Publish equality information as an appendix to this policy, that is on the website – to demonstrate compliance with the general duty across its functions - We will not publish any information that can specifically identify any child.
- Prepare and publish equality objectives - to do this we will analyse the data above to determine our focus for our equality objectives. Any prejudice related incidents will be reported on termly to the Local Academy Board.

We also understand our duty under the Education and Inspections Act 2006 to promote community cohesion. Community is a key theme in our school's distinctive Christian vision and we both build a cohesive sense of school community whilst being respectful to other communities our families may be part of or identify with.

We recognise that these duties reflect international human rights standards as expressed in the UN Convention on the Rights of the Child, the UN Convention on the Rights of People with Disabilities, and the Human Rights Act 1998.

2. The Policy

The school's Equality Information and Objectives Policy draws together all previous equality legislation and details how the school is fulfilling the requirements of the Act.

3. Our Ethos

Malvern Parish CE Primary School is a place where:

- learning is fun;
- children are prepared for their future;
- all efforts are acknowledged and celebrated;
- everyone is valued and respected as an individual;
- we will educate our children about equality and diversity and where we pledge to meet the needs of all our individuals;
- everyone is encouraged to be part of and contribute to the community; and
- encourage everyone to make healthy life choices.

Our core Christian Values support our school community in understanding how we should act towards one another.

4. Addressing Prejudice Related Incidents

Malvern Parish CE Primary School is opposed to all forms of prejudice and we recognise that children and young people who experience any form of prejudice related discrimination may fair less well in the education system. We provide both our pupils and staff with an awareness of the impact of prejudice in order to prevent any incidents. If incidents still occur, we address them immediately and report them to the DoWMAT.

5. Addressing Disability Related Incidents

The school makes reasonable adjustments to meet the needs of disabled pupils and implement an accessibility plan aimed at:

- (a) increasing the extent to which disabled pupils can participate in the curriculum;
- (b) improving the physical environment of school to enable disabled pupils to take better advantage of education, benefits, facilities and services provided; and
- (c) improving the availability of accessible information to disabled pupils.

The accessibility plan can be found as a separate policy on our website

6. Addressing Incidents Relating to the Protected Characteristics

The school's leaders understand their responsibility to have due regard in decision-making and actions to the possible implications for pupils with particular protected characteristics. They will consider equality implications before and at the time that they develop policy and take decisions. For instance ensuring that uniform policy promotes equality and does not impact negatively on any pupils or group of pupils.

[We believe that promoting equality is the whole school's responsibility.](#)

The school eliminates discrimination and other conduct prohibited by the Act. We aim to advance equality of opportunity between people who share a protected characteristic and people who do not share it and foster good relations between people who share a protected characteristic and those who do not. We fulfil this responsibility by:

- (a) for pupils - implementation of policies on equal opportunities (including special needs, behaviour and anti-bullying);
- (b) for staff - implementation of policies on equal opportunities, recruitment and selection, pay and anti harassment policy;
- (c) PSHE, RSE, RE and other elements within the curriculum that promote friendship and understanding about cultures and lifestyles;
- (d) employing specialist staff to support pupils with special needs or disabilities, and implementing the school's accessibility plan;
- (e) monitoring of welfare, including mental health and wellbeing with intervention and support where required;
- (f) taking steps to meet the particular needs of pupils or staff that have a particular protected characteristic.

Pupil Characteristics - Malvern Parish CE Primary School

Spring Census Data

Pupil Numbers

Pupils by Key Stage - January 2025

Figures in this report are based on the Spring 2025 Census and therefore include all pupils counted on roll on 16th January 2025. Please note the following caveats:

- In line with the majority of DfE reports, all data includes funded pupils only and therefore excludes Dual Registered pupils from their subsidiary base
- All Gender, Key Stage, FSM, EAL, SEN and Ethnicity figures provided below are restricted to the 4-15 year old cohort. This matches previous DfE conventions, although some data reported nationally now includes nursery and post-16 groups.
- All District and County figures exclude

Ethnicity

Ethnicity - White (All Categories) %

Ethnicity - Other Ethnic Groups % (School)

School - White (All categories) %	2021	2022	2023	2024	2025
Malvern Parish CE Primary School	84.1%	86.1%	88.0%	88.8%	91.4%

Whilst it is not possible for a parent/guardian or an individual pupil to opt out of the school census, ethnicity and language must always be declared by the parent/guardian or the pupil. Ethnicity is a personal awareness of a common cultural identity and relates to how a person feels and not how others perceive them. It is a subjective decision as to which category a person places himself or herself in and does not infer any other characteristic such as religion or country of origin. 85.6% of Worcestershire pupils were recorded as 'White' (All categories) in the January 2025 census, compared to 86.6% the previous year and 69.2% nationally in January 2024.

Language (EAL)

English as an Additional Language	2021	2022	2023	2024	2025
Malvern Parish CE Primary School	4.3%	4.3%	4.8%	3.4%	5.2%
Educational District - Malvern	3.5%	3.5%	4.8%	5.3%	6.2%
County	8.2%	8.5%	9.3%	9.9%	10.4%

In January 2025, 10.4% of pupils in Worcestershire were known or believed to have English as an additional language compared to 20.8% nationally (January 2024).

Nationally, 22.8% of pupils in state-funded primary schools were known or believed to have English as an additional language in January 2024 (an increase from 22.0% the previous year) compared to 18.6% of pupils in state-funded secondary schools (up from 18.1% in 2023).

DfE collects language under the definition 'Where a pupil's first language is not English - that is: where the pupil has been exposed to a language other than English during early development and continues to be exposed to this language in the home or in the community'.

Special Educational Needs (SEN)

SEN - January 2025

In January 2025, 15.9% of pupils in the county were receiving SEN support compared to 15.2% the previous year. In 2024, the figure nationally was 13.6%. The percentage of pupils with EHC plans in Worcestershire in January 2025 was 3.3%, compared to 2.7% in 2024 (4.8% nationally in 2024). Statements of Special Educational Needs have been made redundant for the January 2019 Census, figures for this census contain no Statements of SEN. Please note - Local (Education District) SEN numbers will be higher where there are resourced bases or Special Schools and some pupils will travel across catchment areas and districts to access such provision.
