Dear Parents and Carers,

Yesterday the children from year three and four took part in a one hour workshop introducing them to first aid. The children were brilliant and really enjoyed having a visitor in school and trying out CPR on the manikins. For those who would like to learn more we are excited to be able to offer a new club during the second half of the Spring term. Working with a practitioner from Mini First Aid Kids we will be offering a five week course of first aid training to our year 3 and 4 children.

Throughout the course children will learn about what first aid is, what to do if they were to come across an unresponsive casualty, how to give CPR, how to treat bleeding, burns and head bumps and what to do if someone is choking. They will take part in role plays and use equipment to practise dressing wounds. Each child will receive a certificate at the end and will complete a workbook throughout the sessions which they can bring home and keep once they have completed the course.

The cost will be £5 per session for each child so the sum of **£25** per child will need to be paid before the beginning of next half term to secure their place on the course.

We do need a minimum of 15 participants for this club to go ahead. Places will be allocated on a first come first served basis.

Each session is 45 minutes and will run from 3.15 -4pm on Thursday afternoons between 10th March and 7th April. I would ask that children bring a drink and healthy snack to have at the start.

Places can be booked via the Arbor Parent Portal from 4pm today, please book on the Arbor Portal before making payment via ParentPay. **Places are secure when payment is received.**

Yours Sincerely

K Little
