

Year 6 - Reading Spine

The Reading Spine is a core of books that create a living library inside a child's mind. It is a store of classics and essential reads that will help to foster a love of reading and deepen their comprehension as they enter the world of the story.

We would love the children to read all of these books before the end of Year 6. Perhaps you could include one of these as a Christmas present? The children could even swap and share books between themselves once they've finished with one!
