We welcomed the new members - Molly and Miles - to the Junior Leadership Team.

We reminded ourselves of the e-safety policy we had been writing and looked over the final copy. We explained it to the new members and proof-read it for any mistakes.

The final copy will be uploaded to the website and distributed to classrooms.

We thought about what kind of things we might like to help with this year - we talked about setting up a new regular food bank donation, improving the playground, creating displays in school and maybe going on a learning walk later in the year.

Our next meeting will be on Wednesday 10th November.
